Thank you for choosing Arbrux!
Our products represent great quality at a great price!
We have worked hard to become the benchmark for our industry since 1979.
We are excited to show you how easy our products are to install...
Here we go...

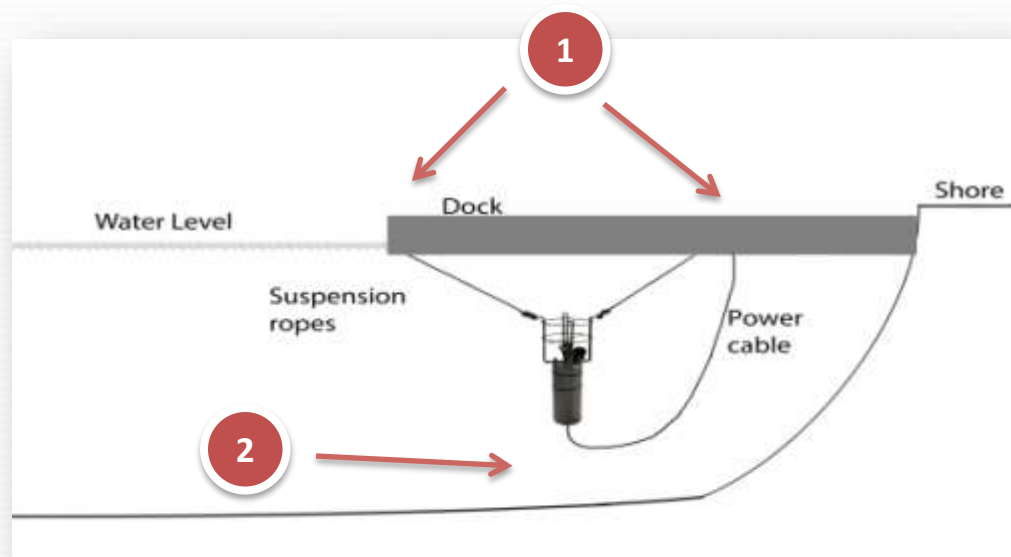

Step 1: Install Ropes

Tie ropes securely to both mounting locations.

Step 2: Install De-icer

1. Securely tie to cleat or another fastening point at both ends as shown.
2. Lower de-icer into the water ensuring one foot clearance from the bottom of the lake.

Step 3: Plug in the Power Cable

Plug power cable into GFCI protected receptacle.

You're Done... Time to Relax!
